**Subject: Suffolk County Air National Guard Base
Installation Restoration Program
Site Investigation Work Plan Documents**

Dear Mr. Santella:

Enclosed are three copies of the Sampling and Analysis Plan and the Project Management Plan for the Site Investigation (SI) at Suffolk County Air National Guard Base, to be conducted under the Air National Guard's Installation Restoration Program.

These are the final iterations of the work plan documents, and include revisions requested by participants at the review meeting held at the Base on October 11, 1990.

Information regarding the implementation of the SI should be requested from Major Gerald Harris at the Base's Civil Engineer's office, or from Mr. Henry Lowman at the National Guard Bureau at Andrews AFB.

Sincerely,

Richard L. Hebert
Task Order Manager
